

RELEASING the Hidden SPLENDOUR CLASS

RHS is a Forgiveness Tool called the "GIVE-FOR Technique".

You "give" up an old perception, pattern or belief "for" a new understanding.

You will learn how to use ARCHETYPAL symbols to help you break patterns and free yourself of the hodge-podge of painful memories which psychology has proven to be a determining factor in everyday human conflicts.

WHAT IS THE RHS CLASS ALL ABOUT?

We are the first generation of humans to recognize that we have the power to destroy our planet OR to evolve into a higher understanding of our true ONENESS with all life. This RHS class gives you an EMOTIONAL TOOL to help you to free yourself from old conditioning that says you are not good enough, strong enough, rich enough. Know that you can free yourself from old behavior patterns and painful memories.

Enjoy this poem by Guillaume Apollinaire

Come to the edge.

No, we will fall.

Come to the edge.

No, we will fall.

They came to the edge.

He pushed them and they flew.
