

Drawing as a Sacred Activity!

Join Heather's online Zoom Class

Learn and practice both observational and imaginative drawing!
We'll meet for 10 Wednesdays - September 11 through November 13, 2024.
This one hour class begins at 11:00 am Central Time
Cost: \$30

In this class, you develop greater hand-eye coordination AND you will experience the surprise of seeing old things in new ways AND you will connect your inner and outer world in a meaningful way. The big skill you will learn is to observe yourself and the world around you - without naming, labeling, or judging what you see. Your Point of View is Unique! Drawing with Heather helps you develop the Spiritual Practice of Being Present and paying Attention!
